GASTON H. HEWES CANDIDATE FOR DISTRICT ATTORNEY ADDRESSES VOTERS

To the Voters of Hancock County:
This, perhaps, will be my last opportunity to communicate with you in regard to my candidacy for District Attorney of the Second Judicial District of the State of Mississippi. First, however, I want you to know that I have certainly appreciated my contacts with you, and the fine manner and many courtesies that you extended unto me while I was in your midst. I regret that the limited time allotted to the campaign prevented me from seeing all of you.

On next Tuesday, you will go to the polls and vote for your District Attorney; and it is my sincere hope that you will cast that vote for Gaston Henderson Hewes. I know that I am qualified to serve you, and I desire to prove that fact to you. I have had fourteen years of service as County Prosecuting Attorney in Harrison County, an office whose duties are similar in character to the duties of District Attorney; and my preparation, both by study and actual experience during the past fourteen years makes me feel that I am the better qualified to serve you. My ability as a prosecutor has not been questioned, and the endorsement in four different elections by my people should display that I am deserving of that criticism.

As you know, I have conducted my campaign on a high plane, as I realize that the demerits of another candidate does not qualify me, but that the essential characteristics of honesty, integrity, experience and ability should control; and that is what I base my hope in securing this promotion, for which I have prepared myself. I am not obligated to any person, corporation, or group of persons, other than the entire populace of this district; and I promise that if you elect me as your District Attorney that you will receive an honest, fair and competent administration during the period of time that I serve you as District Attorney. The fine reputation that has been accorded me makes me feel that you desire that kind of administration, and that I shall be your choice on election day.

In some elections, there is what is known as "last minute propaganda," and should any appear during the waning days of this campaign, I ask you to weigh the source from which such propaganda arises to determine its truth; and also to remember that the people with whom I have resided since birth have publicly endorsed my character as a private citizen and my integrity and ability as a public official four times during the past fourteen years.

I appeal to all of the people who are interested in a fair, honest and competent administration of the duties of District Attorney to go to the polls on May 1, 1945, and cast your vote for Gaston Henderson Hewes.

I again thank you for the many courtesies extended to me during this campaign.

Sincerely yours,

GASTON HENDERSON HEWES,

Advt.

"MURDER MY SWEET" AT A. & G. THEATRE SUNDAY AND MONDAY.

Dick Powell, Claire Trevor and Anne Shirley interpret Detective drama from Raymond Chandler's best seller.

A tense, modern and out-of-the-ordinary mystery story is told in RKO Radio's "Murder, My Sweet," starring Dick Powell, Claire Trevor and Anne Shirley. The three form a romantic triangle in a contrasting atmosphere of murder and black mail.

Dick Powell has the role of a hard-boiled private detective, Marlowe, who sets out on a routine job finding the sweetheart of an ex-convict, "Moose" Malloy. Marlowe's investigations get him involved with Mrs. Grayle (Claire Trevor), young and beautiful wife of an elderly connoisseur, who is in the clothes of a blackmailer. Anne Shirley playing the wealthy man's daughter by a first marriage, falls in love with Marlowe.

Three murders and a suicide are presently demanding a solution, and before Marlowe untangles the mystery he has a hard time convincing an antagonistic police department that he is innocent of any of the crimes.

In the supporting roles, Otto Kruger plays suave blackmailer, Mike Mazurki, the "Moose" Malloy; while alternately terrifying and charming, Otto's in the skilled cast are Miles Mander, Douglas Walton, Dewey Robinson and Ernie Adams. Correcting the idea that only old pictures are shown to our servicemen in the front lines abroad, this production is one of the thousands that reach the G. I.'s immediately, as a gift from the motion picture industry, supplementing the more formal exhibition of film in expeditionary theaters.

LAST WEEK OF NATIONS CLOTHING COLLECTION

Remember that this is the last week for the United Nations Clothing Collection and all clothing is supposed to be at one of the depots arranged for this by the end of the week. On Monday, April 30, the clothing will be assorted and packed for shipment at the Vairin Building, corner Main and Second, and you are going to feel "all in" if you have neglected to gather the articles of clothing you did not need and put it in this shipment for the suffering people who desperately need what you have no use for. It is not too late to contribute to this worthy cause.

Mr. Kirkpatrick, county chairman, says that the results have been far beyond his expectations and he yet is a little bewildered trying to figure out just what it is that Hancock county can't and won't do when called upon to do what it can. Let the good work go on. Let's have a ton of clothing and then we can lie down to sleep and say "I did what I could."

Not what we give but what we share; for the gift without the giver is bare" so share with your neighbor and mine across the seas and give of your substance in the way of clothing. "I was naked and ye clothed me."

STATE BAND CONTEST TO BE HELD IN BAY ST. LOUIS

Monday, April 30, at Bay Hi Auditorium; Picayune, St. Stanislaus and Bay High Bands to Compete

Word was received that the ODT refused the Mississippi High School Music Association permission to hold district band contests. As a result of this refusal, the Executive Committee drew up another plan which makes it possible to have the contests. This plan calls for out-of-state judges to visit each band and conduct the contest event in the same manner as they are carried out in a state contest.

In the local event which will be held on Monday, April 30, the following three bands will compete: Picayune High School, Bay High and St. Stanislaus. The solos and ensembles will start at 9:00 A. M. in the Bay High auditorium. The contest will start at 2:00 P. M. sharp in the Bay High gym. The marching contest will follow and will take place at St. Stanislaus football stadium.

This is a fine opportunity for our local people to see how a band contest is carried out and what students must go through in band contest competition. An admission fee of 15c for students and 25c for adults will be charged for each session.

MISSING IN ACTION

GEORGE L. CUEVAS, JR.

On Tuesday, April 25th, 1945, the Chief of Navy personnel, Vice Admiral Randall Jacobs, advised County Tax Assessor and Mrs. George L. Cuevas, Jr., Coxswain, United States Navy was missing, following action while in the service of his country.

The Navy Department further expressed their appreciation of the great anxiety of his parents; but stated that details were not now available and that delay in receipt of them must necessarily be expected to prevent possible aid to the enemy.

Junior as he was familiarly known was 23 years of age on February 6th. He enlisted in the Navy on September 30th, 1940, and was in active duty at Pearl Harbor on that memorable day of December 7th, 1941 at which time he saw many of his mates lose their lives. He has carried on for them and for his country. His ship has been in practically every major engagement in the Pacific, Coral Sea, Midway, The Philippines Invasion, Iwo Jima, and many others.

He was a member of one of the gun crews on his ship. Prior to this service he was in the submarine service for one year.

Junior attended Bay High and St. Stanislaus prior to his entry into the service.

His last letter to his parents dated April 5th was received the day before news from the Navy Department was received.

May the prayers of his mother and father and his and their many friends be answered, and may some news of safety of their brave and heroic boy soon come to them.

Students of S. J. A. In Musical Program

Sister Marie Antoinette, head of the St. Joseph Academy music department, presented her pupils in a public musical program in the school auditorium to a large and appreciative audience.

Part I of the program included the junior members of the music halls and the introduction to this was given by Mrs. Leo Kenney who reminded the audience that these young performers were not seasoned timber but were making their first flight in musical art, and needed encouragement.

Part II was given by the senior pupils and introducing them Mrs. Kenney said that these young ladies had worked untiringly to attain the standing they now have and needed encouragement to greater achievement.

Sister Marie Antoinette certainly has every reason to be proud of her pupils who rendered this program with a trained skill.

Rivero won straight sets over Pittillo, 6-3, 6-1, but every point was a struggle for the new Coast Champ. The deciding feature in Rivero's favor was his consistency.

Otherwise the contest was on even terms. Both boys played spectacular tennis that was enjoyed by a large crowd among whom was a bus load of Rock-A-Chow students. To reach the finals Rivero won a sensational 6-0, 4-6, 6-4 victory over Necaise of Pass Christian.

Sunday, May 29 the Rockchaws will play the St. Aloysius High team in New Orleans.

Rivero will play in the State Tournament to be held in Jackson April 27.

COUNTY-WIDE MEETING OF ALL WORKERS IN 7TH WAR LOAN TO BE ON TUESDAY, MAY 8

A County-wide meeting of all workers in the 7th War Loan Drive will be held at the courthouse on Tuesday, May 8th, beginning at 10:30 o'clock, according to W. J. Gex, War Bond Drive Chairman of Hancock County.

Urging all possible to attend the meeting, the chairman explained that a full and interesting program had been arranged, "especially designed to help us complete the job in seven days, instead of seven weeks."

Especially urged to attend the meeting are community leaders, block leaders of towns, and all who expect to actually solicit War Bond sales during the period.

A special attraction of the meeting will be a state-wide broadcast from State Headquarters beginning at 10:45 and lasting until 11 o'clock. This broadcasting will feature Governor Bailey, State Chairman Rex I. Brown, Mrs. Lorraine T. Crockett, head of the women's division, and a special transcription from Ted Gamble, National Director and Robert W. Coy, Field Director, both of the War Finance Division in Washington, D. C.

"We have mapped the mightiest and shortest campaign in War Finance history," the chairman said. "Our E-Bond quota is the largest yet, and unless all citizens rally behind this drive during the time we have allotted, the drive will be hard and long-drawn-out. It is of special importance that all citizens who have been asked to work in the drive, or expect to work in the drive, attend this kick-off meeting."

The slogan for the 7th War Loan in Mississippi is "Seven days for the Seventh," with the all-out battle cry "Let's Get the Job Done by May Twenty-one."

JUNIOR-SENIOR PROM AT ST. JOSEPH'S ACADEMY

(By Udell Favre, Junior Class, S. J. A.)

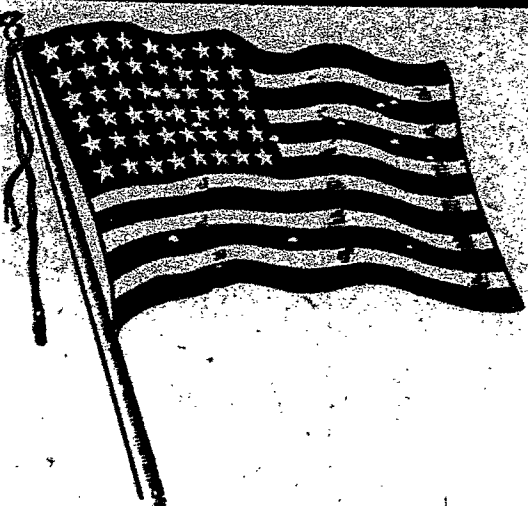

On Saturday, April 21st, at 8 o'clock p. m. the Junior Class of St. Joseph's Academy entertained the Seniors at their Annual Prom.

The auditorium was beautifully decorated with red and white streamers, hanging gracefully from an oblong frame, and from which also hung candy striped canes of red and white. On the tables were white trees in artistically decorated pots, bearing multicolored gumdrops.

The young ladies were lovely in their spring dresses. It would be very hard to describe all of the lovely creations worn. There was a profusion of pastel shades which formed a colorful picture.

In the rear of the auditorium, flanked in candy striped columns was the Biloxyi High School Orchestra, directed by Professor Marion Chapman, which furnished music for the occasion.

Delicious refreshments were served by Misses Eleanor Bologna, Anne Alb, Catherine Bond and Margaret Forsmark.

HOW FUNDS OBTAINED WITH GUARANTEED FARM LOANS MAY BE USED

Veterans of World War II who obtain loans under the guaranteed provisions of the G. I. Bill of Rights must use the funds for the purpose specified in the Act, according to T. W. Patten, Secretary-Treasurer of the Picaney National Farm Loan Association.

Under the terms of the G. I. Bill, the Administrator of Veterans' Affairs, says Mr. Patten, may guarantee a loan if the funds are to be used to purchase land, buildings, livestock, equipment, machinery, or implements or to repair, alter, or improve any buildings or equipment to be used in farming operations conducted by the veteran. He must find that:

- (1) The funds are to be used for the above purposes and in bona fide farming operations conducted by the veteran;
- (2) the property will be useful in and reasonably necessary for efficiently conducting such operations;
- (3) the ability and experience of the veteran, and the nature of the proposed farming operations to be conducted by him, are such that he is likely to succeed; and
- (4) the purchase price paid or to be paid by the veteran is not more than the reasonable normal value of the property as determined by proper appraisal.

If the farm is used as the veteran's

OUR CHILDREN

No habit is more conducive to financial success than thrift, a habit first formed in the child. The practice of saving early in life teaches the importance of the penny long before one ever learns the value of a dollar.

No child's education is complete if he has not learned that frugality is fundamental—that we thrive on thrift. No one who has not earned a dollar and saved it appreciates the real worth of money.

In our worthy ambition to want our children to get along, we all agree that it is as important to know what to do with money as how to get it.

There is no better way to instill this thought in the child than to encourage him to open a savings account in his own name and to add to it. Many parents initiate the idea by opening an account for a child when it is born.

Our tellers will receive a child's pennies with the same courtesy and enthusiasm accorded larger and older depositors. It has been the policy of this bank from its beginning to encourage thrift. We are doing business today with the grandchildren of our original customers. We have seen small accounts grow with the years into substantial sums and the fortunes of modern savers multiply with their maturity.

May we help you cultivate the thrift-habit in your child and pave the way to individual security? May we help you to encourage your children to save? Teach that it is a sin to waste money? The great lesson of human experience is—we thrive on thrift.

A deposit book in the name of your child may mean the difference between failure and success. Support the war effort, buy war bonds, save money and promote postwar prosperity.

Section 3. That in order to make provision for the payment of the principal of and the interest on the said Road Protection Refunding Bonds of 1945 as the same respectively mature and accrue, the said County of Hancock, acting herein by and through the Board of Supervisors of said County, does hereby irrevocably pledge and dedicate the same revenues and taxes which were pledged and dedicated by the aforesaid resolution of this Board adopted on the 15th day of May, 1938, and by amended resolution dated April 15, 1940, to the payment of the principal of and the interest on the bonds hereby refunded. The aforesaid revenues and taxes shall stand so pledged and dedicated to the payment of the outstanding bonds of the aforesaid issue dated May 1, 1938, and shall likewise stand pledged and dedicated to the payment of the refunding bonds herein directed to be issued, without priority of either of said issue over the other; said revenues and taxes being more particularly described as follows: to-wit:

(a) All of the funds received by Hancock County, Mississippi from the State of Mississippi, under and by virtue of Section 8514 of the Mississippi Code of 1942, including any other funds collected by the State of Mississippi in said County and allotted by law to said County for road purposes, or so much thereof as may be necessary to provide for the payment of the principal of and the interest on the bonds herein authorized to be issued.

(c) All of the avails of an annual special ad valorem tax to be levied upon all taxable property of and within Hancock County, Miss., without limitation as to rate or amount, which it may become necessary to levy and collect in order to provide for any deficiency in the revenues pledged under paragraph (a) and (b) above, and the said Board of Supervisors does hereby covenant and pledge that such levy shall be made whenever and as often as it may be necessary in order to provide for the payment of the bonds herein authorized to be issued and the interest thereon, all as provided by Section 8513 of the Mississippi Code of 1942 and by Section 4362, Code of Mississippi of 1942, as amended.

Section 4. That all of the revenues and taxes pledged and dedicated in Section 3 of this resolution, when received by the County, shall be credited to a special account to be held solely and only for the redemption of the bonds referred to in said Section and for the payment of the interest thereon as it accrues.

Section 5. That the Road Protection Refunding Bonds of 1945 herein authorized to be issued shall be validated under the provisions of Sections 4313 to 4318, both inclusive, of the Mississippi Code of 1942, and to that end the Clerk of this Board is hereby authorized and instructed to make up a transcript of the proceedings had in this behalf and to certify same to the State's Bond Attorney.

Section 6. That when the said bonds shall have been prepared and executed as in this resolution directed, they shall be registered by the Clerk of this Board in a book kept in his office for that purpose, as required by law, and the said Clerk shall endorse upon the reverse side of each of said bonds a certificate in substance of the following form:

STATE OF MISSISSIPPI

I, A. G. Favre, Clerk of the Board of Supervisors within and for the County of Hancock, in the State of Mississippi, do hereby certify that the within bond has been registered in a book kept for that purpose in my office, as required by law.

I do further certify that the within bond has been validated and confirmed by decree of the Chancery Court of Hancock County, Mississippi, rendered on the day of _____, 1945.

Witness my hand and the seal of my office at Bay St. Louis, Mississippi, this _____ day of _____, 1945.

Clerk of the Board of Supervisors, Hancock County, Miss.
Section 7. That the Road Protection Refunding Bonds of 1945 herein authorized to be issued, when executed and registered as hereinabove provided, shall be lodged with the Clerk of this Board for safe-keeping.

Section 8. That the principal proceeds of the aforesaid bonds, to-wit: Sixteen Thousand Dollars (\$16,000), immediately upon receipt thereof shall be deposited in a separate irrevocable account to be held and applied solely and only for the payment at maturity of the following described outstanding Road Protection Refunding Bonds of 1938 of said County, dated May 1, 1938, to-wit:

The motion having received the affirmative vote of all the members of the Board of Supervisors, the President declared the motion carried and the resolution adopted.

CHAS. B. MURPHY, Pres.
The Board took for consideration the matter of providing for the refunding of certain of the outstanding Road and Seawall Bonds of the County, and a discussion of the matter was had, thereupon, Supervisor Wheat offered and moved the adoption of the following resolution:

RESOLUTION to Direct the Issuance of \$14,000 of Road and Seawall Bonds of Hancock County, Mississippi, for the purpose of taking up and refunding at a lower rate of interest a like amount of the Outstanding Road and Seawall Bonds of said County.

Whereas heretofore, to-wit: on the 15th day of April, 1940, the Board of Supervisors of Hancock County, Mississippi, did authorize, order and direct the issuance of and sale of Road and Seawall Bonds of said County in the principal amount, and the sum of Two Hundred Thousand Dollars; said bonds bearing date of May 1st 1940, bearing interest at the rate of 4 3/4 per cent per annum, payable semi-annually on May 1st and November 1st in each year, being in denomination of \$1,000.00 each and being numbered and maturing in the amounts and at the time following, to-wit:

Bond Nos. Amount Maturity
1 to 2, incl. \$2,000 May 1, 1941
3 to 4, incl. 2,000 May 1, 1942
5 to 6, incl. 2,000 May 1, 1943
7 to 10 incl. 4,000 May 1, 1944
11 to 16, incl. 6,000 May 1, 1945
17 to 24, incl. 8,000 May 1, 1946
25 to 34, incl. 10,000 May 1, 1947
35 to 44, incl. 10,000 May 1, 1948
45 to 56, incl. 12,000 May 1, 1949
57 to 68, incl. 12,000 May 1, 1950
69 to 80, incl. 12,000 May 1, 1951
81 to 92, incl. 12,000 May 1, 1952
93 to 104, incl. 12,000 May 1, 1953
105 to 116, incl. 12,000 May 1, 1954
117 to 130, incl. 14,000 May 1, 1955
131 to 144, incl. 14,000 May 1, 1956
145 to 158, incl. 14,000 May 1, 1957
159 to 172, incl. 14,000 May 1, 1958
173 to 186, incl. 14,000 May 1, 1959
187 to 200, incl. 14,000 May 1, 1960

And, Whereas, pursuant to said order, the said bonds were thereafter duly executed, issued and delivered, and became the valid, lawful and binding obligations of Hancock County, Mississippi, and

Whereas Bonds Nos. 1 and 2, maturing May 1st, 1941; Bonds Nos. 3 and 4, maturing May 1st, 1942; Bonds Nos. 5 and 6, maturing May 1st, 1943 and Bonds Nos. 7 to 10, inclusive, maturing May 1st, 1944, have heretofore been paid, redeemed and cancelled, and

Whereas all of said bonds issued as aforesaid now remain outstanding and unpaid, excepting Bonds Nos. 1 and 2, maturing May 1st 1941, Bonds Nos. 3 and 4, maturing May 1st, 1942, Bonds Nos. 5 and 6, maturing May 1st 1943, and Bonds Nos. 7 to 10, inclusive, maturing May 1st, 1944, as aforesaid, and

Whereas, the said Board does now find and determine that, because of the existence of a state of war and because of the rationing of automobile tires and the rationing of motor vehicle fuels, the sources of revenue made available for the payment of maturing bonds and for the payment of interest thereon will be inadequate in the years 1945 and 1946 to provide for the payment of said bonds maturing in said years and the interest thereon; and

Whereas, in order to meet any deficiency in the aforesaid revenues it would be necessary to levy an ad valorem tax upon all taxable property in Hancock County, and

Whereas, there is now being levied upon all taxable property in said county, for general county purposes and for school purposes, an average rate of 80 mills on each one dollar of assessed valuation of taxable property in said county; and

Whereas, the said Board does now find and determine that an increase in said tax rate would place upon the taxpayers of the County a heavy and confiscatory burden and would result in greater delinquencies in the payment of taxes; and

Whereas, said Board of Supervisors does now further find and determine that the refunding of the aforesaid outstanding bonds, maturing in the years 1945 and 1946 would be in the best interest not alone of Hancock County but of the holders of the aforesaid outstanding bonds; and

Whereas, the said County is authorized under and by virtue of Sections 8497 to 8518, both inclusive, and Sections 4358 to 4365, both inclusive, of the Mississippi Code of 1942 to issue the refunding bonds of said county for the purpose of refunding the aforesaid bonded indebtedness, whether such bonded indebtedness shall be due or to mature in the future, and regardless of whether or not the issuance of such refunded bonds shall create a total or partial indebtedness of said County in excess of the now existing statutory debt limitation, and is authorized to issue such refunding bonds in sufficient amount to pay and retire all of the aforesaid outstanding bonds maturing in the years 1945 and 1946, and is authorized so to do whenever funds are available for the payment of said outstanding bonds are not sufficient to pay the same and the interest thereon whenever they may mature; and

Whereas, this board does now find that because of the low interest rate at which the aforesaid refunded bonds may now be refunded, it would be in the best interest of said County that refunding bonds be issued at this time and thereby prevent default being made in the payment of said outstanding bonds at maturity;

Now, Therefore, Be It Resolved by the Board of Supervisors of Hancock County, Mississippi, as follows:

Section 1. That, for the purpose of refunding the outstanding Road and Seawall Bonds of 1938 of Hancock County, Mississippi, aggregating the principal amount and sum of Sixteen Thousand Dollars (\$16,000), maturing in the years 1945 and 1946, and which said bonds are more fully set forth and described in the preamble to this resolution, there shall be and there are hereby authorized, ordered

and directed to be issued the refunding bonds of said county in the aggregate principal amount and sum of Fourteen Thousand Dollars (\$14,000). The said refunding bonds shall be designated "Road & Seawall Refunding Bonds of 1945" shall bear interest from date thereof until paid, at the rate of three and one-half per centum payable semi-annually on March 1st and September 1st in each year provided, however, that no interest shall accrue on said bonds, after the respective maturity dates thereof, unless said bonds be presented for payment at maturity and be not then paid. Both principal of and interest on the said refunding bonds shall be payable in lawful money of the United States of America at the office of the County Depository of Hancock County, Mississippi, in the City of Bay St. Louis, Mississippi, and the said bonds shall be of the denomination of One Thousand Dollars (\$1,000) each, and shall be numbered and shall mature, without option of prior payment, in the amounts and at the time following:

That the said Road Protection Bonds shall be executed by the signatures of the President of the Board of Supervisors of Hancock County, Mississippi, countersigned by the signature of the Clerk of said Board, under the seal of said Board of Supervisors, and for the purpose of the execution of said bonds, the seal of the Chancery Court of said County is hereby adopted as and for the seal of said Board of Supervisors. Whereas, said Board of Supervisors does now further find and determine that the refunding of the aforesaid outstanding bonds, maturing in the years 1945 and 1946 would be in the best interest not alone of Hancock County but of the holders of the aforesaid outstanding bonds; and

Whereas, the said County is authorized under and by virtue of Sections 8497 to 8518, both inclusive, and Sections 4358 to 4365, both inclusive, of the Mississippi Code of 1942 to issue the refunding bonds of said county for the purpose of refunding the aforesaid bonded indebtedness, whether such bonded indebtedness shall be due or to mature in the future, and regardless of whether or not the issuance of such refunded bonds shall create a total or partial indebtedness of said County in excess of the now existing statutory debt limitation, and is authorized to issue such refunding bonds in sufficient amount to pay and retire all of the aforesaid outstanding bonds maturing in the years 1945 and 1946, and is authorized so to do whenever funds are available for the payment of said outstanding bonds are not sufficient to pay the same and the interest thereon whenever they may mature; and

Whereas, this board does now find that because of the low interest rate at which the aforesaid refunded bonds may now be refunded, it would be in the best interest of said County that refunding bonds be issued at this time and thereby prevent default being made in the payment of said outstanding bonds at maturity;

Now, Therefore, Be It Resolved by the Board of Supervisors of Hancock County, Mississippi, as follows:

Section 1. That, for the purpose of refunding the outstanding Road and Seawall Bonds of 1938 of Hancock County, Mississippi, aggregating the principal amount and sum of Sixteen Thousand Dollars (\$16,000), maturing in the years 1945 and 1946, and which said bonds are more fully set forth and described in the preamble to this resolution, there shall be and there are hereby authorized, ordered

When the pipe line builders come to a river, they have two ways to cross it. One is by laying pipe on the bottom.... the other, by bridging the stream.

Over this particular bridge, which is one of the Company's many river crossings, no traveler has ever crossed. There is passageway here for only Natural Gas, on its way to war industries, factories, homes, and business establishments of the Gulf South.... a vital, dependable fuel service in war as well as in normal times.

This represents only a small part of the large investment necessary to deliver gas from the well to you.

ORTIE THEATRE SUNDAY AND MONDAY "THE SONG OF BERNADETTE"

Now is Your Time To See
This Picture at Popular
Prices!—Starring Jennifer
Jones, Academy Award
Winner

As long as the human heart has the power to feel, to love, to suffer, to triumph, "The Song of Bernadette" will be remembered as a great motion picture, wondrously conceived and enthrallingly unfolded.

It is beyond all question the fulfillment of all you had hoped it would be... beyond all comparison in its emotional sweep and power beyond all conception in the miraculous spell it will cast over all who see it Sunday and Monday at Ortte Theatre.

Accolades will be bestowed—and with a lavish hand—upon 20th Century-Fox for the remarkable manner in which it has bridged the transition from the novel to the screen. Great and universally beloved as was Franz Werfel's story of "Bernadette" between book covers, it is infinitely greater and more compelling as a motion picture.

Only the highest praise will suffice for the director, Henry King, and the producer, William Fox, in whose hands the destiny of bringing the novel to the screen was entrusted. Each, in his respective capacity, records the outstanding achievement of his career. All credit is due, too, to George Seaton for his screen play, which faithfully follows the pattern of Werfel's story.

In the title role of the Maid of Lourdes, Jennifer Jones makes the most auspicious debut in Hollywood history. Here is a star—and one who has flared into being with a brilliance that shines with the mark of greatness. A bow to David O. Selznick for her discovery!

Matching Jennifer Jones' performance are the featured members of the cast: William Eythe, Charles Bickford, Vincent Price, Lee J. Cobb and Gladys Cooper. Others in important roles are well-nigh flawless.

From the moment when "Bernadette Soubirous," young daughter of an impoverished family, sees the vision of "The Beautiful Lady," "The Song of Bernadette" is a rare experience.

Bernadette's faith is from her heart. Lourdes seethes with excitement over report of the vision—the authorities grow increasingly concerned, fearing the effect on the people—but Bernadette holds steadfast.
